RULES AND REGULATIONS

Before entering High Ropes Course you are obliged to:

- Get acquainted with these rules
- Wear proper equipment (consisting of harness, Y-shaped loop, V-set with carabines and helmet) in correct way
- Pay attention to safety briefing provided by instructor
- Try proper usage of equipment on simulator

While taking the High Ropes Course you are obliged to:

- Be clipped into the safety line (the steel rope) using both carabines
- Whenever you are passing from one element to next one you need to move your carabines one by one (in other words you need to stay clipped into the safety line with at least one carabine at all times)
- Obey all instructions provided by the facilitator
- Follow facility rules and regulations

While taking the High Ropes Curse it is strictly forbidden

- Move or stay still without being secured (in other words you always need to be clipped to safety line with at least one carabine)
- Perform any distracting activity such as (but not limited to) smoking cigarettes, texting, taking phone calls, ...
- Wrap the rope around your fingers, hands or any part of the body
- Carry anything that could put either you or others (instructor, other participant, ...) in danger
- More than one person at each time on any element
- More than two participants at each time on any platform

General provisions:

- It is forbidden to enter the rope center under the influence of alcohol or other intoxicating substances.
- It is forbidden to enter the area under High Ropes Course to everyone except the instructor/facilitator
- It is forbidden to use your own equipment
- The operator is not liable for property damage, personal injury claims, or any other damage and harm caused by the infringement and violations of these rules and regulations
- Operator reserves the right to make changes in these rules and regulations
- By paying the entrance fee to the rope center participant confirms that he is familiar with the rules and regulations of the rope center and that he/she agrees with these rules
